## THE DEBUTANTS' GUIDE FOR THE PERFECT DRESS FOR THE PERFECT NIGHT

### HUNGARIA GALA BALL

Sponsored by the  
Hungarian Veterans' Association  
Calgary Chapter

[www.hungariaball.com](http://www.hungariaball.com)

**Must be white!**  
Off-white or cream dresses  
are not permitted

### Gloves

- White gloves to match your dress
- The length of the glove is determined by the type of dress you select

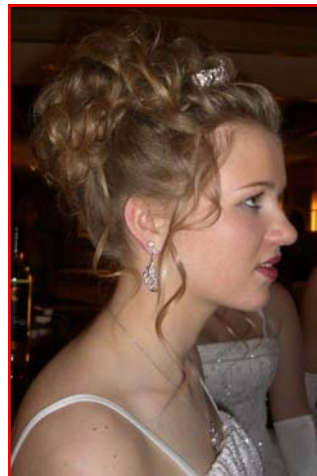

Jewelry slips off the gloves easily and undetected, thus avoid wearing anything other than the corsage over them.

### Corsage

- The wrist corsage is provided by the Ball Committee

### Tiara

- Clear, glass tiaras show best in photos and on the dance floor
- It should be secured by the hairdresser
- It should not be too tall

**Low heels and no  
open toe!**

### Footwear

- Comfort and ability to dance in the shoes takes priority over the “beauty” of the shoes
  - White shoes, not sandals
  - Heels not taller than inch and a half. Should be a block heel vs. a skinny heel
  - No open toes or sling backs
- White shoes may be difficult to find. We recommend that character shoes be purchased at any dance store and dyed white the week before the ball.

### Hair and makeup

- Needs to be off the face and shoulders
  - The tiara should be secured into the hair style
  - Makeup should be polished and elegant for the evening
- Trendy hair styles and makeup can date your photos and can be a source of great amusement very quickly.
